Legacy of University Law College, University of the Punjab, Lahore.

University Law College, University of the Punjab, is the finest and oldest seat of legal learning in Pakistan. The University Law College is known as the birth place of the exceptional legal minds in the subcontinent and has been the epitome of judicial heritage in Pakistan since its inception. A number of eminent lawyers, judges, bureaucrats and politicians are graduates of the college and continue to serve the country to the best of their abilities.

University Law College was established in 1868, fourteen years before the University of the Punjab and has a rich history and culture. It later became one of the constituent Colleges of the University of the Punjab. Law classes were initiated by Anjuman-i-Punjab in 1868 and were taken over by the College in 1870.

In continuance of our legacy, we hereby wholeheartedly invite you to the 1st PULC National Moot Court Competition.
